Exploring Spatial-Temporal Futures of Geo-informatics
1/29 - 1/31/2009 - Digital Technology Center

Overview

- Symposium objectives
- Bring together diverse set of UMN researchers
- Exchange and identify research opportunities
- Offer initial forum for interdisciplinary collaboration
Participants

- Number of participants
  - 44 registered
- Colleges
  - Carlson
  - CBS
  - CFANS
  - CLA
  - Design
  - Humphrey Institute
  - IT
- Libraries
  - NRRI
  - Public Health
  - System Academic Administration
- Organizations
  - Metropolitan Council
  - Dept. of Agriculture
  - St. Mary's University

Schedule Overview

Friday (9:30 - 4:45)
- Overview
- Keynote (Prof. M. Goodchild)
- Introductions (Part 1)
- Introductions (Part 2)
- Breakout groups
- Wrap-up
- Social event

Saturday (9:00 - 3:30)
- Introductions (Part 2)
- Keynote (Prof. M. Yuan)
- Breakout groups
- Panel
- Wrap-up
- Closing
Following Up

GEOSPATIAL.UMN.EDU/FUTURES
NEW INTERDISCIPLINARY COLLABORATIONS

Thanks
